B. A. B. L
Secretary to the Government
of His Highness the Maharaja
of Mysore,
Bangalore

Honoured Sir,

With profound regret I crave the liberty of presenting to your Honour the misery that has overtaken me consequent on my sudden removal from the post of Accountant Deputy Commissioners office, Shimoga. I trust that these few lines will meet with your Honours favourable consideration and that your Honour will restore me to the post I am deprived of The facts stated below will convince your Honour of my innocence.

2 Adverting to Government
Flag Y order No. J. 3612-17/cls 101-08-8 dated 20th May
1909 dispensing with my services
as Accountant Deputy Commissioner's
office Shimoga I beg to submit
the following

3. I have put in a service
of 14 years under Mysore Government
From the time I was entertained
to the date of my removal from
office I have served the
Government faithfully and
honestly and have given entire
satisfaction to all the officers
under whom I had the fortune
to serve. There is nothing
recorded against me in the
Office and my conduct has
been acknowledged to be excellent

4 I ... doing the duties of
Deputy Tahsildar in the Sagar

Sub-Division Office from the 29th November 1905 to the 1st April 1906. While I was quite new to the Judicial work a warrant of attachment was prepared by me and sent without the seal of the office of the Sagar Sub-Division Magistrate, to the District Magistrate of Mysore, through the District Magistrate of Shimoga. I regret my inability to recall to mind at this distance of time, how & why the warrant of attachment in question was sent without the seal of the office. It may be that the seal was in the camp of the Sagar Sub-Division Officer as he was on circuit at the time when this warrant in question was prepared or I might have omitted to affix the

Seal as I was quite new to the Judicial work. The warrant in question might have been sent direct from the Camp without the seal. Here again my memory fails to tell me whether the warrant was sent to the District Magistrate of Shimoga, either from the Camp or from the head-quarter Office at Sagar. I regret that the mistake has any how occurred and I humbly beg that I might be pardoned for the mistake as it was not at all intentional.

5 It is alleged that the warrant in question was sent back to the Office of the Sagar Sub-Division, as it did not bear the seal of that office, that it

was received on the 4th January 1906 and that it was referred to me the then Deputy Tuneldi of the Sub-Division Office.

6 With regard to this, I beg to submit that the warrant in question was not at all referred to me and that the very fact "that no entry of its number was made in the Issue book or in the From Register" clearly indicates that the warrant was never referred to me and that I am not at all responsible for its loss or misplacement.

7 The Shimoga District Magistrate on a reference made by the Sagar Sub-Division Magistrate ordered that a search

should be instituted into the records of the office for the warrant in question which was stated to be missing. A search was made and it was reported that the warrant was nowhere to be found in the office.

8 The Shimoga District Magistrate then ordered that a new warrant of attachment should be prepared and sent. Meanwhile the Sub-Division Magistrate reported that the warrant in question was found mixed up with other papers in a book named "Jail Manual".

9. With regard to this I beg to submit that it was first reported that the record was nowhere to be found and

that it was subsequently reported that it was found in "Jail Manual."

10. This Jail Manual is a book of constant reference. It is usually in possession of English clerk of the Sub-Division office The English clerk of the Sagar Sub-Division office in January 1906 was Mr. L. Narasimha Iyengar. He is the Co-brother (in law) of absconded B Narasimha Iyengar Since Mr. L. Narasimha Iyengar had an interest in absconded B Narasimha Iyengar, it is just possible that the record in question might have been put aside by him to give time to the father of B. Narasimha Iyengar to dispose of the property in Nagamangala Taluk. It

8

cannot be clearly understood how the warrant in question remained unnoticed for such a long time though, as it is reported, it was found in Jail Manual. This gives room for suspicion on the part of Mr. L. Narasimha Iyengar who was in custody of "Jail Manual".

11. With regard to the reminder from the Sagar Taluk Police dated 28th February 1906. I beg to state that it was received by me but that it was immediately given to the registering clerk to be registered. The registering clerk did not return the paper to me after registering it and I also forgot to ask for it as I was in disturbed state of mind then.

12 My wife was just then died of plague leaving three little orphans with no one to take care of them. I had to cook and look after these children personally. The period was a period of sore trial. I had no peace of mind and regret that in my mental worries, I forgot all about the reminder.

13. Moreover I was told that I stood transferred to Shimoga and that I should prepare myself to hand over charge to my successor. I was busy in clearing up all arrears of work and in my hurry to do so, I was not able to pay attention to the reminder. If the registering clerk had only cared to return

the paper to me, I would have taken action on it. All these circumstances have contributed towards the mistake and I humbly beg that I might be pardoned for my negligence

14 I beg to add that I am a man of large family, that by my dismissal, I have become utterly destitute of all means of livelihood, and that I have all along been depending on Government Service for livelihood.

15. I may be permitted to state that on a reference made by the Deputy Commissioner Shimoga, the Government have been pleased to declare me eligible for re-appointment.

16 I submit that the correspondence regarding the warrant of attachment in question was going on between the Deputy Commissioner, Shimoga, and the Sub-Division officer, Sagar, since 1906 and beg that your Honour will be pleased to call for the whole correspondence for kind perusal.

17 Under the circumstances stated above, I beg most earnestly that your Honour will be pleased to reconsider my case favourably, to restore me to the position I have lost and to treat this whole period from June to October 1909 as period

of Leave without allowances for my carelessness and negligence in not attending to the seal of the Office and the reminder from the Sagar Taluk Police.

Hoping that my humble prayer will be granted.

18th October 1909.

I beg to remain
Honoured Sir
Your Honours' most obedient &
humble Servant
